## Sir/Madam:

Applicant believes this Information Disclosure Statement should be considered by the Office because it is being filed concurrently with the above-referenced patent application.

It is believed that no fee is due for the filing of this Information Disclosure Statement. However, if any fee is due, the Commissioner is hereby authorized to charge payment of any such fees to Deposit Account No. 10-0258.

Also, if any Petition is required for the filing of this Information Disclosure Statement, such Petition is requested herein.

It is believed that this disclosure complies with the requirements of 37 C.F.R.

I hereby certify that this correspondence is being deposited with the United States Postal Service with sufficient postage as Express Mail, n the date shown below, in an envelope addressed to: Mail Stop Patent Application, Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450.

§§ 1.56, 1.97, and 1.98, and the Manual of Patent Examining Procedures §707.05(b). If for some reason the Examiner considers otherwise, it is respectfully requested that the undersigned be called so that any deficiencies can be remedied.

It should be noted that the word "prior" has been deleted from the attached PTO-1449 form(s).

According to 37 C.F.R. § 1.98(d), a copy of any patent, publication, or other information listed in an information disclosure statement is not required to be provided if it was previously cited by, or submitted to, the Office in a prior application, provided that the prior application is properly identified in the statement and relied upon for an earlier filing date under 35 U.S.C. § 120. This application is a continuation that relies upon an earlier filing date from patent application serial no. 09/895,862, under 35 U.S.C. § 120. Thus, Applicant believes that under 37 C.F.R. § 1.98(d), the copies of the references cited in the attached PTO-1449 and PTO/SB/O8 forms do not need to be included with the present Information Disclosure Statement because they were cited and provided to the Office in the parent application.

Some of the documents may have markings thereon. No significance is meant to be attached to the markings.

With regard to any translations which may be provided herewith, the undersigned does not know how the translations were made, or by whom the translations were made.

Therefore, no representation is being made as to the accuracy of any translation.

Bv:

These documents are not necessarily analogous.

Respectfully submitted, JANAH & ASSOCIATES, P.C.
